K-LOVE has brought a better understanding of the word of the lord. The music serves as a door into god's teaching for a community that needs guidance from a higher power. IF K-LOVE were to be taken away this community would suffer greatly in not having the word of the lord easily accessable to it by public radio. I have gained an extensive insight in what GOD wants for his children here on earth and I have benefited greatly both spiritually and emotinally through lives hard times in knowing that no matter how tough life gets, I can always count on GOD to be my side and carry me through. PLEASE ALLOW K_LOVE TO CONTINUE BROADCASTING FOR THIS COMMUNITY NEEDS IT AND I NEED IT ON A DAILY BASIS. K-LOVE CHANGES LIVES EVERYDAY IN A POSITIVE DIRECTION.
